

Highfield Family Football Club

2012 Season – Registration

Highfield Family Football Club is a small but thriving football club and is inviting players to register for the 2012 season. The club originated from Holy Family School and now welcomes all players from the Lindfield and surrounding community.

The club's focus is on junior football and its primary goals are:

- Making football fun to play for boys and girls
- Developing football skills
- Providing children the opportunity to play as part of a team, and
- Encouraging family participation

The club had 115 players last season and provides teams in age groups U6s through to U11s. We would like to field an all girls team in the U10s (and U9s if there is demand). Typically the club has two or three teams in the U6s, U7s and U8s, and one to two in the U9s and above. These teams are graded so as to provide balance and help ensure they're matched against suitable sides. There is scope to play with selected friends but this may result in some children having to play down a grade.

All teams play in the Ku-ring-gai and District Soccer Association (KDSA) organised competition with games played on Saturday mornings, and Sunday mornings for the girls' league.

Each team will need one parent to volunteer as Manager and another as Coach. Alternatively a paid coach will have to be sourced (the club can help with this and will be organised once the teams have been formed). Teams allocate Managers and Coaches after the grading process is complete.

The 2012 Soccer Season starts on 31 March and formal training will commence in mid March on Wednesday afternoons at Primula Oval.

If you wish to play this year you need to register and pay online via the KDSA website at <https://kdsahfdm.calfordgreen.com/registeronline/>

Please note if your child played last year please choose the 're-register a player' tab rather than registering as a new player. Re-registrants will need their existing site password. If you have forgotten your password then a) you can request a new one assuming you are using the same email address as last year or b) it can be reset by the administrator and then emailed to you.

Annual registration fees per player are \$195. If you are unable to pay online then you will need to send a cheque for the same amount made out to the Highfield Family Football Club. This needs to include full details as to which player(s) and parents it relates to, and should be posted to Simon Fraser at 1 The Grove, Roseville, NSW 2069.

Registrations will close 22 February.

What the \$195 registration fee covers:

The fees cover various KDSA levies, insurance, player uniforms (shirt, shorts and socks. Shirts and shorts must be returned at the end of the season), other kit items such as soccer balls, end of year trophies, team photos etc.

Age groups for 2012 KDSA season:

Please note that the dates of birth qualifications for the various age groups are:

Under 6	Born on or after 1 st January 2006
Under 7	Born on or after 1st January 2005
Under 8	Born on or after 1st January 2004
Under 9	Born on or after 1st January 2003
Under 10	Born on or after 1st January 2002
Under 11	Born on or after 1st January 2001

Note that a child may play up an age group, but not down. The club may ask some children to play up a grade to increase the number of players in that age group and allow the creation of another team or balancing of numbers to help get all of the teams we want to form with the correct number of players.

Contact should you have general questions or problems registering:
