

Holy Family Band Program 2012 Recorder

- Rehearsals will be for 30 minutes before school, one morning a week. Times will be confirmed after enrolment.
- Fees will be confirmed after enrolment. The fees are calculated based on the number of children enrolled, and we estimate it would be around \$200 for the year.
- The enrolment form must be returned by **Friday 9 December 2011** to the band committee, or left in the parent box in the school office. The band committee can be contacted at holyfamilyband@gmail.com
- Students will require a **recorder** and a **music book**. The band committee will arrange a bulk purchase of recorders and books at a discounted price for those who are interested. Recorders and books will be given to your child at their first lesson. Costs of these will be added to your child's Recorder Ensemble fees, which are charged with the school fees in Term 1 of 2011. Second hand recorders and/or books are quite acceptable.

RECORDER - The recorder students are required to use is a black or white **Yamaha Recorder YRS312B III**. It is available at a number of music stores, and retails around \$35-40. It is essential that the students all have the same recorder as it makes a real difference to the overall sound.

- I would like to purchase a recorder through the band program. The cost of \$35 will be added to my fees.

MUSIC BOOK - All students will require a music book - books for both the beginners and for the advanced groups are yet to be confirmed.

- I would like to purchase a music book through the band program. The cost of \$20 will be added to my fees.

By joining the Recorder Ensemble, we both understand the obligation of participating for the entire year, including attending weekly rehearsals and performances, and a commitment to practice.
