

The following annual strategic goals are drawn from the Priority Areas:

STRATEGIC PLAN AND ANNUAL GOALS 2009

Priority Area 1: Catholic Life and Mission

- 1.1 Strengthen the religious knowledge and provide opportunities for faith formation of staff, students and parents.
- 1.2 Further enhance and extend relationships across parish.
- 1.3 Further develop quality experiences to educate and form students as disciples of Jesus

Priority Area 2 Pastoral Care

- 2.1 Ensure a high level of pastoral care amongst the whole school community where respect, tolerance, understanding and inclusion are evident
- 2.3 Develop and further encourage practices that are inclusive of the whole school community

Priority Area 3 Curriculum Teaching and Learning

- 3.2 Meet the needs of the students through a consistent approach to quality pedagogy K-6
- 3.5 Further develop existing curriculum to improve student outcomes, particularly focusing on Mathematics.
- 3.6 Develop shared understandings of teaching & learning highlighting the alignment between assessment, pedagogy and curriculum

Priority Area 4 Leadership

- 4.1 Model collaborative and authentic leadership in order to inspire other community members to higher levels of engagement and commitment.
- 4.3 Collaborate with all stakeholders, to ensure roles and responsibilities are clearly identified, communicated and underpinned by the values of justice, inclusion, respect and understanding

Priority Area 5 Professional Learning

- 5.2 Balance between whole school and individual learning
- 5.3 Identify and embed professional learning processes that improve student learning

Priority Area 6: Stewardship, Management and Accountability

- 6.2 Utilise all available resources for on-going school improvement and development
- 6.4 Raise the profile of Our Lady Help of Christians in the local community through celebrating achievements, active community involvement, developing positive relationships with pre-schools and high schools and establishing a formal publicity committee.
- 6.5 Generate, implement and monitor a three year technology plan to guide the purchasing and integration of ICLT across all facets of school life.
