Using the computer is a big responsibility and I am going to have to agree to be a good computer user.

When I am a good computer user I will...

- Have clean hands
- Use gentle hands
- Ask for help when I don't know what to do
- Share the computer with everyone in my class
- Know that teachers will look at what I do on the computer

When I use the Internet I will...

- Tell my parents about the things I do on the Internet
- Stay on the web pages my teacher shows me
- Tell my teacher and my parents if I see something on the Internet that makes me feel uncomfortable
- Tell my teacher straight away if I receive any bullying messages or messages that I do not like
- Only send kind and respectful messages to other people

When I use the Internet I won't

- Tell people on the Internet who I am or where I live

I know that I can only use the computer if I am a good computer user.
