

**Sacred Spaces.**

**1. At St John the Baptist  
We all belong.  
In this special place  
We learn a new song.  
Space to grow and learn  
Our best self to become,  
Living safe and free  
We all feel at home.**

**CHORUS**

**Treat one another  
with respect and care;  
Showing God's  
loving face everywhere**

**2. Sacred stories from the  
past living now  
Sacred spaces in our school  
Help us grow  
Sacred gifts we hold  
In each heart they live  
Jesus loving ways  
We learn to believe.**

**CHORUS**

**3. Every person's gifts  
Give life to our school  
In sad and happy times  
Our friends all stay true  
Everybody has their  
Part in our song,  
Everybody's dreams  
in our school belong.**

**CHORUS**

**4. Learning to wonder and to  
Open our eyes,  
God is watching us  
Fill life with surprise,  
Lots of space to run  
With spirits set free.  
At St John the Baptist  
We love to be.**
