Mission Statement

As a welcoming Catholic school community, St Kieran's promotes Gospel values through relationships based on acceptance, respect, dignity, compassion and the uniqueness of the individual.

As a **loving** and life-long **learning** community we are committed to excellence in education

pastoral care

growth in faith

and the promotion of social justice.

St Kieran's Manly Vale

Strategic Vision

(1)

Fostering a Catholic faith community which emphasises Pastoral Care for evangelisation.

(3)

Providing opportunities for ongoing leadership development to ensure growth and sustainability.

(2)

Developing and implementing a vibrant future orientated approach to learning that is sustainable, inclusive of individual and community learning needs, and reflects the school mission.

(4)

Exercising responsible and equitable resource allocation.

Strategic Goals

(1)
As a Catholic faith community we are committed to:

1.1
Strengthening the identity of St Kieran's as a Catholic school within the Diocese of Broken Bay.

1.2
Ongoing faith formation of the community.

1.3
Implementing Diocesan evangelisation projects.

1.4
Implementing and communicating Pastoral Care policies, procedures and practices to the community, to ensure that they are informed and involved.

1.5
Working to build a collaborative partnership between North Harbour Parish and its schools.

1.6
Clarifying and acknowledging the roles of School Board and P&F in contributing to building community.

1.7
Building and sustaining a Christ centred community that is committed to social justice.

Strategic Goals

(2)
As a community of learners, we are committed to:

2.1
Developing a shared understanding of teaching and learning which underpins policies, procedures and practice.

2.2
Developing a culture of critical reflection and evaluation of assessment data to inform learning outcomes.

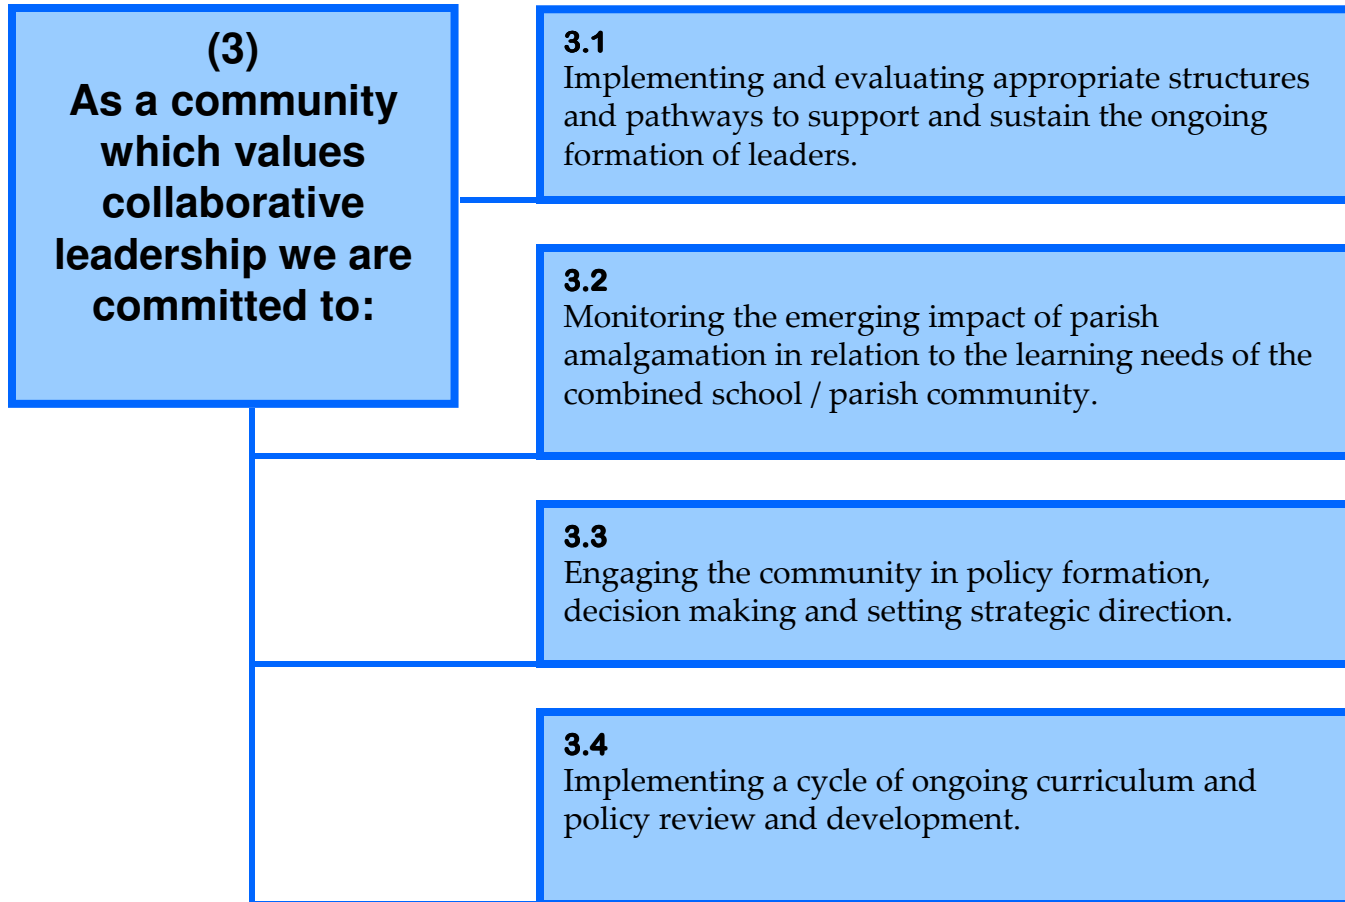

2.3
Ongoing evaluation of the potential for emerging technologies to depth learning.

2.4
Developing and implementing a sustained approach to Professional Learning that is inclusive of individual and community learning needs and reflects the School Mission.

2.5
Fostering a community of life long learners.
